Hello

I'm writing in dispute of the unfair pricing practices of Palmetto Utilities.

I am a single person household paying \$52 a month for sewer. Before this price hike, an average sewer bill for me was around \$16. My bill more than tripled.

It's thievery what Palmetto Utilities is doing. As a 1 person household, I should not have to pay this much for sewer services.

Thank you
Sasha Matthew

To whom it may concern, I would like to protest the 28% increase which seems to be excessive in nature! Is there an explanation for such an increase?
